President Hage G. Geingob extends congratulatory message to H.E Dr. Lazarus Chakwera, following election as President of Malawi

The President of the Republic of Namibia, His Excellency Dr. Hage G. Geingob extends felicitations to the newly elected President of the Republic of Malawi, His Excellency Dr. Lazarus Chakwera. President Chakwera was inaugurated on 28 June 2020 as President of the Republic of Malawi, following Presidential elections held on 23 June 2020.

In his message of felicitations, President Geingob says:

“We commend our Malawian brothers and sisters for having exercised their inalienable democratic right peacefully and successfully, thereby concluding the elections amidst the difficult situation of the COVID-19 pandemic. Indeed, the success of these elections demonstrates that democracy has come of age as an integral corner stone of the political culture of the people of Malawi and the Southern African Development Community (SADC) as a whole. I look forward to working closely with you, to further deepen and strengthen our bilateral cooperation, as well as advancing our regional and continental development agenda.”

President Geingob wishes President Chakwera good health, strength and wisdom in the execution of his mandate.
