President Hage G. Geingob lauds exemplary work of Dr. Japie van Zyl for Outstanding Public Service Medal Award from the National Aeronautics and Space Administration (NASA)

The President of the Republic of Namibia His Excellency, Dr. Hage G. Geingob congratulates Dr. Japie van Zyl following his Outstanding Public Service Medal Award from the National Aeronautics and Space Administration (NASA).

President Geingob lauds the cutting-edge and exemplary work of Dr. van Zyl in space science, encourages Namibian young scientists to follow in the footsteps of Dr. van Zyl who currently serves as Director of the Solar System Exploration at NASA.

On the achievement, President Geingob says: *“I congratulate Namibian-born scientist Dr. Japie van Zyl for the award of NASA Outstanding Public Service Medal, joining a select group that includes Neil Armstrong. Your exemplary work and experience will continue to inspire new discoveries in space science and technology”.*
